

New Birth Community Confession

Grace and Peace Be Multiplied!

We are New Birth Community Church, where we are
“helping people to know, love and follow Jesus Christ!”

As an Acts 2 church, we are dedicated to the teachings of
Jesus Christ, and the whole counsel of God’s Word.

As a Christ-centered church, we walk in agreement with the
vision of this house; and we are connected to each other as
a loving community of believers.

Therefore, we believe God has planted us here, so that we
may bloom where we’ve been planted and become
equipped by the Holy Scriptures, that we may impact and
change the community around us.
